Payment Options

Dental Insurance

We accept most PPO, and select discount plans. We will assist you in determining what portion of your treatment is covered by insurance. Please bring your insurance card or papers on the first visit.

Please understand, however, that you are ultimately responsible for payment of all services. Should your insurance not cover what is predicted, you will be responsible to pay any uncovered portion.

Our knowledgeable staff will work with you to ensure any portion of treatment not covered by insurance is affordable. We accept cash, check, major credit cards (MasterCard, Visa) and select discount plans.

We are also pleased to accept interest free financing through [Care Credit](#) to help you get the dental work you need today. For more information call us at 973-402-9228 or email us at realdentalcare540@gmail.com

Additionally, we are now accepting the [Dental save Discount Plan](#). This low-cost program provides its members with savings of up to 50% off of dental services. Since this is not an "insurance plan" there is no waiting periods, no claims to file, no annual maximums, and no deductibles. You simply pay a reduced fee every time you come in for treatment. If you would like more information on this great new plan you may call us at (973)402-9228 or sign up on their website www.dentalsave.com
